

Glamour. Glitz. Giving.

Thank you for making the 13th Annual Foothills Country Auction a sparkling success. Together we raised over \$330,000 towards a 3-D Cardiac Mapping System for the Foothills Hospital Cardiac Sciences Department. This sophisticated system will make the Foothills Hospital the only site in Alberta equipped to perform diagnostic procedures and treatment to help restore normal heart rhythms.

The Calgary Health Trust would like to thank the following individuals and organizations for their generous support:

PLATINUM LEVEL

GOLD LEVEL
