### EXTERIOR FINISHES

**A Different Point of View:** A rooftop patio gives you a place to hide out or gather with friends, gazing down at the Bow River or the twinkling lights of Calgary's downtown.

**Room to Park :** A double-car garage gives you enough room to put the car away when you want to hit the pathways, or a place to store your bike, skis, and everything else in the meantime.

**Timeless Exterior Finishes:** The Henry's classic brick exterior fits in perfectly with the surrounding community, calling to mind the area's heritage and what it means to build something to last.

**Laneway:** Laneway access makes getting in and out of your place easier than ever, and leave the front of The Henry open to gorgeous views and instant street access.

## THE HENRY SITE PLAN

The Henry is a sophisticated blend of classic and modern, just like the neighbourhood surrounding it. Open-concept plans, intimate rooftop patios, and flex spaces ensure everyone in the household has room to gather and room to retreat. Double-garages give you room for extra stuff, while laneways preserve street access and your connection to the community.

Floor plans range in size from approximately 1600 to 1800 square feet. To take a closer look, click the unit on the map below.
